J CHEN PROJECT is a NYC-based dance company founded in 2008. We just returned from a seven month tour in Asia, Hawaii and LA. We are casting dancers for our upcoming show titled, "TO IDENTIFY" and a national college tour.

REQUIREMENTS: Seeking dancers with strong modern technique and a flow to their movement. Other preferred skills are partnering and improvisation, since we use both in our creative process. Dancers must be open to exploring their own voice as a dancer and collaborator.

\*\*This project requires a diverse cast, so all ethnicities are encouraged to come!

Rehearsals are from July to September

Show premieres October

Tour Dates are to be determined.

COMPENSATION: Rehearsal and Performance pay
