Undertoe Dance Project - a tap and jazz fusion company based in NYC - is seeking female tap and female jazz dancers for our 4th season.

Auditions will be held on Monday, September 19, 2011.

12:30 pm - Female Rhythm Tap Dancers with a great sense of musicality and timing who have some experience in contemporary dance forms such as modern and/or jazz. Please wear nice rehearsal attire that exposes your ankles and flat tap oxfords. Please bring your headshot and resume.

2 pm - Female Jazz Dancers with a great sense of musicality and timing who have a strong ballet foundation. Please wear form-fitting dance wear and be prepared to dance barefoot. Please bring your headshot and resume.

Callbacks will be held on Tuesday, September 20, 2011 from 10 am - 1 pm.

Rehearsals begin the following week. There is currently no pay for rehearsals but there may be performance stipends available, depending on the venue. Dancers must be available for the following regular rehearsal times:

Tap Dancers: Mondays from 12:00 - 2:30 pm and Tuesdays from 10 am - 1 pm.

Jazz Dancers: Mondays from 2:00 pm - 5 pm and Tuesdays from 10 am - 1 pm.

You are not required to be both a tap dancer and a jazz dancer to be part of the company. If you are, that is fantastic! Please stay for the full audition. Otherwise, please come to the style for which you'd like to be considered.
