We're producing a music video for artist Julian James that is filming at the end of the month, Sept. 30th - Oct. 2nd. The song is bluesy-pop, with a little bit of country. We're looking for a couple of men and women who can partner dance and commit to several rehearsals before the shoot. We are filming in a cocktail lounge in Manhattan as well as a barn out on Long Island. Compensation is \$200 and transportation and hotels would be provided. The dancing is being choreographed by Ganine Derliith who owned and operated the original Fred Astaire Dance Studio on Broadway in New York City.

A bit about Ganine : "Ganine sings and dances, her credits include original Broadway companies of The Will Rogers Follies, The Best Little Whorehouse Goes Public, Two For The Show, national Actor's Equity companies of 42nd Street and A Chorus Line, The Cotton Club with HenryLeTang, The Grammy Awards, The Tony Awards, The Kennedy Center Honors, performed as a Rockette in the Radio City Music Hall's Christmas Spectacular, dance coach for Tony Bennett's music video "Stepping Out", opening act for Sammy Davis Jr. & Jerry Lewis, Cleopatra for Caesar's Palace Las Vegas and as member of the first United States Olympic Dance Corps.
