Emerging choreographer seeking well-trained, energetic dancers for side project and new creation of choreography for NYC choreography festival submissions. Looking for positive, adventurous artists who are willing to try something new. Especially seeking males at present, but females definitely also encouraged to apply. Ballet and modern training preferred, partnering skills a plus.

Please send resume/photo and a link to video footage if possible to sarahegrace11@gmail.com for consideration.

Unfortunately, at this time this is an unpaid opportunity.
