This is a call for dancers, actors, movers, shakers, anybody who wants to be a part of a social experiment designed for solidarity and unity through the art of dance. Moxy Motion is organizing a flash mob Sunday, October 16, 3:30p at Occupy Wall Street. This is not a politically charged event. It's an opportunity to have fun while dancing in a public space with the goal of creating community through the arts in a politically charged environment such as Occupy Wall Street. This is not meant to be a performance, but an opportunity for a shared experience with a unified crowd of people.

Moxy Motion is a grassroots artistic collective encouraging human connections, stronger communities, and positive environments through dance and theater.

This is an unpaid gig. We're looking for artists who want to participate in a fun, engaging, interactive and inspiring event. A short video will be sent to those interested, showcasing the steps. The dance will be easy to pick up, requiring little preparation and allowing those individuals not part of the flash mob to join in. The goal is to encourage as many people as possible to move together.

Interested parties please email moxymotion@gmail.com and detailed information will be sent.
