Join the Dance Cartel for its second season!

(male movers are highly suggested to attend)

2012 projects include an evening-length work taking place in June at the Tank in midtown, NYC, a new dance video featuring original music, and a collaboration with production company LiveMusicVideo.

Auditions will be at Dance New Amsterdam - 280 Broadway, 2nd floor (entrance on Chambers) in Studio 6. We are seeking both trained dancers (modern, hip hop, jazz) and expressive individuals who just know how to get DOWN.

date/time:

Saturday/Sunday Dec 3 & 4, 2:30-4:30

Call Backs Sunday 6:30pm

At these auditions, you can expect to:

learn 1-2 movement phrases

generate some solo material in response to a prompt

share other pertinent skills you have to offer (theatrical, percussion, vocal, linguistic, design, digital media...)

Rehearsals for the production at The Tank begin in mid-March and culminate in performances in June.

Most will take place in Manhattan or Williamsburg, and they will never go over schedule.

Performances are paid; dancers will also receive a DVD of work performed.
