Holding audition for Jessica 6 music video this Sunday 11/13 at 330. This is a very up and coming band constantly in magazines, interviews, etc right now. This music video will have big names such as Nicola Formichetti, Thierry Mugler, and cameo appearances from NYC's current nightlife personas. Attached is some recent press of the band:

Seeking men and women of all types, but have a very fashiony, chic sensibility about them and can express that through their dance. Men should be at least 5"11 and women 5"7.

This is a passion project and unfortunately is not paid, but can lead to future paying jobs we have and great for reels.

Shoot date not specified, but will be mid December.
