Female ballroom dancer (Bronze level, American Style) is seeking male ballroom dance partner for practice and competition. Prefer someone who is a professional and has experience in either teaching or competition. I am not looking to give you free lessons, I am looking for someone who is looking to practice and compete so you should be an experience dancer (either Bronze or Silver). Age range (21-40)

If you are available 11/23 stop by Jimmy's No. 43 and say hello to Rae. I am organizing a dance showcase in the space and 8pm-9pm and will be meeting potential dance partners as well.
