I'm a young choreographer who will be presenting a 20 minute piece at The Tank on April 20th and 21st. I am seeking 10 - 15 dancers who are playful, kind and expressive. Athleticism is a plus, as is willingness to sing. In January and February we will meet once a week for two hours and in March and April twice a week. As a choreographer, it is very important to me to be respectful of your time and I'd strive to give you enjoyable movement to perform. I'd be happy to send examples of work I've done over email. If you're interested please email me at Holly.Heidt@gmail.com. Thanks!
