Seeking dancers for performance Thursday February 2nd at University Settlement in NYC. Small performance pay. Healthy snacks provided in rehearsal. Respectful choreographer.

This will be a polished draft of a group piece for National Choreography Month (Nachmo) that will likely develop into a full-fledged piece and production later in 2012. If we are a great fit together you may be invited in the future to dance with greater pay opportunity in this work and others. In this process we will be working with a Grammy-winning musician. Our first rehearsal will serve as an audition.
