INSPIRIT, a dance company, is seeking female dancers for the 2012-2013 season.

INSPIRIT will continue in 2012 and beyond with Alexandra Joye Warren as the new Artistic Director and Christal Brown as the Founding Artistic/ Executive Director. We are looking for dancers who are exceptionally gifted performers and choreographers who consider themselves the next generation of innovators in the field of dance.

INSPIRIT's mission includes providing a forum for collaboration among emerging female artists and choreographers. Since its inception, INSPIRIT has grown to be an incubation tank; providing training in executive, artistic, and educational skills.

INSPIRIT challenges the structure of traditional collectives and repertory companies by producing the work of choreographers within the company and collaborating on work driven by an artistic theme and an artistic director. These differences allow each company member to forge a deep commitment to the company's mission: to infuse one another with ideas, to encourage rich collaboration and to invigorate audiences everywhere.

In addition to having performed in venues across the United States the company has also been in residence at several colleges and universities while also creating strong ties with communities of young women nationwide through Project: BECOMING.

Auditions will be held on Sunday February 5th from 6-8pm, at 100 Grand Street, 2nd Floor, (between Mercer and Greene Streets) New York, NY 10013. Dancers may arrive at 5:30 to warm up.

Interviews and a Call Back will be held on Monday Feb 6th from 7-9 and Thursday February 9th from 7-9pm respectively.
