Hello!

I am a NYC based artist/director looking to collaborate with a child actor/dancer for a short fashion film/music video. Open to ages 4-15. The piece is being produced for an up and coming music artist releasing her album in February, whose talent is immense.

It is a great opportunity to meet and create with great people, and be prominently featured in a short piece that will be beautifully shot and released through publicist.

Time commitment is short - maximum 2 hours on January 26th. Movement and expression will be fun, and simple. Shoot is in a white studio space in Bushwick with a small but professional team.

Please send your headshot or other photos and any related movement experience!

I look forward to hearing from you!
