A community hospital is holding it's annual Black History Month closing ceremony. The dancer who had agreed to volunteer time to perform at this event has become ill. We need a replacement.

We are looking for:

1 male or female dancer preferably African dance (any ethnicity).

You will perform your own routine no more than 5 minutes.

Event will be viewed by Hospital Staff, Patients, and people from the Community.

Lunch and a small travel stipend will be provided.

Event is scheduled for February 28th @ 12pm.

If interested send us a short bio and a link to your website. If you have any video clips online please include this link.
