Community Dance Project NYC (CDP), a new contemporary dance company, is now holding auditions for its second season. We are looking for four strong female dancers to join our company.

CDP is a collaborative community providing support for emerging choreographers and performers. CDP empowers young artists through performance opportunities, community outreach, goal setting and mentorship.

Looking for dancers with strong technique and the ability to improv. Dancers who are interested in choreographing work are especially encouraged to audition, as there will be opportunities. Teaching experience/interest a plus.

Dancers should be available for a maximum of 4 hours of rehearsal a week. Pay for selected performances.

Please send picture/resume to CommunityDanceProjectNYC@gmail.com for an audition appointment.
