The Outlet Dance Project would like to invite choreographers (individual and companies) to submit an application to participate in the upcoming performance at Grounds For Sculpture in Hamilton, NJ, on Sunday, October 7, 2012, at 2pm.

The Outlet Dance Project provides a performance opportunity for emerging women choreographers from New Jersey, Pennsylvania, and New York. The Outlet is committed to supporting a variety of traditional and nontraditional dance forms and venues.

The festival celebrates the collaboration between sculpture, architecture, and dance. Through performances and outreach programs we are inspiring the Central New Jersey community and enriching the lives of young people and adults through dance www.theoutletdanceproject.com

The performance showcases staged dances as well as site-specific dances. The first half takes place inside the Seward Johnson Center for the Arts and the second half takes place outdoors in and around the 35 acres of beautifully landscaped grounds with over 200 contemporary sculptures. Additionally, dance films focusing on site-specific choreography will be shown simultaneously in the Visitor's Center screening room of the Seward Johnson Center for the Arts. www.groundsforsculpture.org
