*For a commercial dancer, building a reel is very important when the time comes to audition for an agency or different gigs.*

DESCRIPTION: (read until the end)

-Looking for hip-hop, street jazz or african dancers.

2 males, 2 females.

-You will learn a 45 sec routine.

-You will be part of a series of dance videos that will have more of a TV Commercial style without a brand.

-This will be recorded around the city in different locations.

-*Not paid, but will provide HD footage of you dancing plus a copy of the video(s) for your records.*

-*This a good opportunity for International Students, young and pre-professional dancers.*

-*Must have and Int/Avd level in the styles above and learn quick.*

-Auditions in the city by appointment.

-Sent resume and headshot to the address below.
