► [Share](#) | [Print](#) | [Download](#)

Movement of the People Dance Company is currently looking for two charismatic Dance Educators who have experience facilitating Hip Hop and World Dance classes for people ages 7-15, as well as ample dance experience in said techniques. Applicants should work well with others and be ready to co-create a lesson plan as well as choreography. S/he should also be interested and passionate about uplifting underprivileged communities through dance. Knowledge about the history and evolution of said dance forms a plus. *This is a paid opportunity!!!*

If you are interested in participating please email the following to contact@movementofthepeopledance.com :

1 page resume

Headshot (non-professional photos are acceptable)

1 short paragraph about yourself and why you would like to participate/what you will be able to contribute to this experience

Specific dates/times you are available for rehearsal in July

Applicants will be notified of the details pertaining to an audition/interview within the upcoming weeks.
