SEEKING one male (hispanic/latino) and one female (asian, androgynous-looking) dancer for an upcoming video interactive dance performance that will be exhibited as a single channel video exhibition at the Metropolitan Museum of Art in mid-August 2012. This will be a duet piece. Should be formally trained in contemporary dance. Payment is minimal (\$100-\$200), but this will be good exposure at a high profile institution. Dancers will be credited as a performer in a collaborative project.
*Must be available July1st-7th for rehearsal and taping.
