Grounded Aerial will be holding auditions for its Fall 2013 season.

Audition Date:

3:30pm, October 10th

Audition Location:

Embody Language at 241 Bedford Ave. (btwn N3rd and N4th), Buzzer #7, Williamsburg, Brooklyn

Come only if you are ready to commit to a year of rehearsals. We are looking for new company members that are unique individuals; technical dancers who have aerial experience AND an acting background. Ideal candidates are comfortable with improvisation and love to be creative, light-hearted, and focused in a team atmosphere! A gymnastic and/or climbing background is highly encouraged, and upper-body and core strength are necessary to learn Grounded's (mainly harness-based) repertoire and create new pieces. We will select daring, committed, and resilient male and female dancers who excel at character development and playful collaboration in a rigorous aerial environment.

Paid performances throughout the year.

Unpaid rehearsals will be Wednesdays from 4:00-6:00pm

(with additional rehearsals as upcoming gigs approach)

Send your resume and headshot to
