Treehouse Shakers, a NYC based non-profit dance-theater company, is seeking company members. We create critically acclaimed dance-plays for young audiences. Each intertwines a fully realized script through movement and story, inspiring in our audiences a rich imagination and a lifelong love of the theater. Currently, we have five productions on a rotating tour.

We are seeking performers who are easy to work with, value the creative process, take direction well and enjoy working as a company. Some of our work leads us into the classroom, so we are also looking for potential candidates to have experience working with students of all ages.

Seeking one male actor and one female actor, both with dance experience, and one female dancer. Rehearsals are non-negotiable and are Wednesday evenings and Friday mornings. Additional rehearsals may be added if necessary. Performance Pay.

Auditions will be held at Green Space in Long Island City on September 19 from 7-10p and September 21 from 10-1p.
