Fingerprints Projects is Hiring Female and Male Dancers:

Fingerprints Projects is seeking contemporary dancers with strong ballet technique who also excel at improvisation, weight-sharing partnering, and intensive floor work. Ideal candidates are passionate, intelligent, intriguing movers who enjoy embodying the dynamics of music and bringing emotional life to movement phrases. Upper-body strength and a daring attitude are important to the creation of our work. Dancers should be comfortable creating in a collaborative environment.

We are looking for dancers for a show on February 17th in which Fingerprints Projects has been commissioned to create a new piece to music by composer Whitney George, but ongoing rehearsals and performances are highly likely after February 17th.

Dancers must be available all day on February 17th for tech and dress before our show at Roulette that evening.

Paid rehearsals will be held on Fridays from 3:00-5:00pm.

Dancers who cannot attend rehearsals at this time should not apply.

The audition will be held on Friday, November 9th from 3:00-5:00pm by invitation. Additional details will follow.
