Cosmic Graffiti is looking for male and female dancers who can act and actors who can dance ages 19-25 for a film study. Please inquire if you are well rounded in classical and performing arts. This is a project opportunity for those who see value in themselves commercially and non commercially. Innovative thinkers are preferred. We are looking for performers with strong acting, ballet, contemporary, modern and jazz technique. Performers must also have solid partnering and improvisational skills. This film study is a project that will go on for months and those interested must be able to stay involved for the duration. Living in the NYC Metro area is preferred for an easy commute to meetings and rehearsals.
