Come take company classes with The Equus Projects and opportunity to perform with the company in June!

The Equus Projects makes site specific performance works, often for dancers and horses. Most recently, the company has launched OnSite NYC – a 12 part series of site specific scores for urban landscapes in New York City.

Experience dancing inside performance scores. Be a part of OnSite NYC for one month!
The month includes eight 3-hour studio sessions. Mondays and Wednesdays in February.
Sign up for all 8 sessions, and perform with the company in June.

8 classes - \$50

Drop in class - \$8
