Blind Spot tells the torrid love story of original *Mad Men*, legendary photographer Bert Stern (Jake Hoffman) and Prima Ballerina, Allegra Kent. The film will shoot Spring/Summer 2013 in the Metropolitan area.

Seeking a real ballerina who acts between the ages of 18-25. We are looking for a long, thin, dark haired girl who is beautiful, innocent and a little awkward and unsure of herself. Delicate, pixie-like, when she dances she becomes someone else.
