Hey,

We're hiring dancers for a new team, that's going to be backing an upcoming recording artist. Dancers will be used for both live events and promotional videos.

The dances all have a foundation of hip hop, but some of them include other types of dance including ballet, African, and contemporary etc. We ask that you have some experience in these areas!

Rehearsals have already begun so we want to get people on board as soon as possible so that all the routines can be learned and performed! Friday nights and weekend availability would be very helpful!

Rehearsals will be in both Manhattan and Brooklyn

NoPay

Auditions will be held Saturday, February 16th!

Send us your resume and a photo and we'll get back to you asap!

Thanks!
