Open call to ALL dancers in the New York City area:
Locations in Manhattan

We are looking for dancers & performers of all styles and skill levels to take part in our music video.

The concept of the music video is to showcase the people that make up New York City. This will be done by spotlighting the vast range of dance styles and characters that the city offers.

We will be filming in public locations, and we need people to come dance to our track for a few minutes. There is NO limit to the style of dance or level of experience. You can wear and do whatever you want to do! ANY level of dance is great for this video, good and bad!!!

Once the video is completed it will be promoted & available for public viewing on YouTube and other social media sights.

Although this is a non-paying gig, it offers you the opportunity for some national & international exposure for a few minutes of you time. This will be a massive online hit!! If you're selected to be featured, we are also prepared to feature your contact information on the scenes which you perform in.

Filming takes place on Wednesday March13th 2013 (Weather permitting). Let us know you're interested by responding to this post and we will send you the schedule of filming.

See you out there!!!!
