Join the directors of LeeSaar The Company for a one-day intensive that gives dancers the unique insight in how this innovative company works and creates. The day will begin with a 75-minute Gaga Dancers class followed by repertory session focusing on the work of LeeSaar The Company. After a short lunch break, dancers will be split into two groups that will focus on the methodic of the Gaga language. Then the groups will come back together for a creation period with Lee and Saar in which each dancer will build his or her own solo.

DURING THIS DAY WE WILL LOOK FOR 3 APPRENTICE DANCERS FOR13/14 SEASON.

LeeSaar the Company is active eleven months per year, five days a week and also manages Gaga USA, teaching throughout North America. We invest daily in the development of the movement language and in the creative tools we employ to train our dancers. This, we believe, is the core of our work. This level of dedication puts the dancers in the center of our creation. It allows them freedom to reveal themselves on stage; to become not just interpreters, but inventors.
