A generous grant by The Andrew W. Mellon Foundation has made it possible for Triskelion Arts to offer selected professional dancers, choreographers, and companies subsidized rehearsal rates in Triskelion's largest Studios: A, X and Z. Through this program, the hourly rates for all three of these studios will be \$10 per hour for all program participants between 9am and 11pm (between 11pm and 9am regular off-peak rates apply). This funding is directed at those rehearsing modern dance only, and those who will be using a minimum of 20 hours of subsidized space in studios A, X, and Z combined between today's date and December 31, 2013.

To qualify for this program, a participant must have five years of experience producing or performing in professional work (not including undergraduate projects). Priority will be given to qualifying participants in the Triskelion Arts Presents programs, and remaining availability will be chosen by a lottery comprised of all eligible applicants.

Please note that all participants in this space subsidy program will be subject to all of Triskelion's Rental Policies, as they are stated online and in Triskelion's standard Rental Agreement. (Please see triskelionarts.org for details.)
