Looking for a number of Caucasian all-ages male performers for a unique and very ambitious music video/art film for an experimental pop/R&B artist.

No technical skills necessary...you will be learning a specific movement language for your character: a series of controlled rhythmic gestures.

We are looking to fill the roles of waiters, and party guests. There will be uniforms, Oscars-type gowns, and tuxedos.

No pay, but video will be produced by MOCA and will receive a great premiere and will be featured on all top music sites/blog/magazines.

Shoot will be weekend of June 29th. There will be 1-3 required rehearsals as well.

Please send headshot and brief bio to allieavitalcasting@gmail.com
