Karesia Batan || The Physical Plant Workshop Audition June 8th

Saturday June 8th, 11-1pm, Triskelion Arts Studio X in Williamsburg, Brooklyn

The Physical Plant is holding a workshop audition to find 1-3 modern dancers to join our group. We will share our movement philosophy and some of our repertory with you from our latest work. We are looking for fluidity, centeredness, physicality, and groundedness. Company position is paid per performance project and long term (open-ended) rehearsal periods. Dancers must be able to commit to rehearsing immediately once a week from June-July at least, typically on Monday mornings/early afternoon, with the ability to continue further into the year.

To register please e-mail your resume to thephysicalplant@gmail.com. Thank you and looking forward to meeting you!
