Date: Sunday, June 23rd, 2013

Time: 2pm-5pm

Maverick Dance Experience is a company whose attitude is to toe the line of risk and reason, through dance theater modalities, in order to relate urgent messages on social commentary, humanness and politics. Maverick is boldly statement driven and the work is largely contemporary and athletic, including partnering, floor work, improvisation, and dance theater.

We are looking for men and women to addition for the company. Our first performance is in September with a heavy rehearsal period every Monday and Wednesday evenings from August-September. We offer paid performances, technical and administrative training. Review our website for our style, approach to movement and video samples.
