Maverick Dance Experience is conducting auditions for male and female dancers. We are looking for skilled, versatile, and interesting dancers to compliment and commit to our fierce mix and our robust upcoming season.

Intensive rehearsals begin as early as August to prep for double premiere of company work in September.

Visit our website for videos, bios and photos to get a sense of the Maverick style. The movement is an interdisciplinary approach, largely contemporary, athletic and laced with partnering, improvisation and gesture.

You must email your dance resume, head/dance shot and dance sample in order to get an audition slot. You will receive an audition confirmation and time.

When: Sunday, June 23

Time: 2-5 pm

Location: Bridge for Dance, 2726 Broadway, NY, NY

We look forward to meeting you
