Touch Theory is currently looking for a few new passionate dancers, to join us in a collaborative environment of contact improv and contemporary movement! Rehearsals are already in full swing twice a week every week all summer as we gear up and prepare for our fall performances. We are seeking 3 women and 2 men to join us for rehearsals Sundays and Mondays 6-9pm. Additional rehearsals may be scheduled based on availability.

Dancers must submit a resume AND web link to a performance video, including you, of either a duet, or a small group of 3-5 to the email address listed below. Please no solo videos. All applicants must be actively training in at least ballet and modern/contemporary dance. Experience in contact improv is recommended yet not necessary, but will be considered. A degree/certificate in dance performance, or in pursuit of one, is also highly recommended yet not necessary, and will also be considered.
