There's only one week left to register for the Dance Educators Training Institute!

Join us this summer for a week-long workshop that will help us to get ready for the 2013-2014 year by re-energizing our dance interests!

Sessions are open to the public, with a particular interest to serve choreographers, performers and highly experienced dance educators as well as teaching artists in the field of dance education. Administrators and participants from various arts and educational disciplines including college students are invited and encouraged to attend the workshop. The program provides high quality resources, diverse programming, and ample networking opportunities.

Tuition: \$300 for week-long institute , \$20 for individual class drop-ins
