Mark Dendy Dance & Theater Projects will be developing phrase work for the piece *Ritual/Cyclical* to be performed as part of the Lincoln Center Out of Doors festival to celebrate the 80th birthday of ADF and the 40th anniversary of the Kronos Quartet. 80 dancers will be performing *Ritual/Cyclical* in Hearst Plaza to music by Kronos Quartet, exploring the dynamic-kinetic ritual in the architecture and landscape of this venerable venue. Students participating in DNA's Company Class series with Mark Dendy Dance & Theater Projects may be invited to join the company in the performances. There will be no pay for this performance.
