Breaking Ground 2014 is a two-day Arizona festival held at the Tempe Center for the Arts that has been produced by CONDER/dance since 2007.

It consists of two different nights of performances in a 600-seat theater, two master classes open to the AZ community and an AfterParty event. Our goal is to present quality dance work in its many forms to Arizona audiences. We are searching for artists from all over the world who are exploring new terrain and taking artistic chances both in the live performance and film genres.
