Two Entertainment is casting their first full length Off-Broadway production, [PRESS PLAY] ([www.pressplaytheshow.com](http://www.pressplaytheshow.com)). [PRESS PLAY] is an avant-garde theatrical dance event featuring a score by modern techno/house music producers and a visual experience of live interactive 3D projections that encircle the entire audience. [PRESS PLAY] fuses these two electrifying elements together with innovative contemporary choreography to tell a post-apocalyptic story about the aftermath of World War III and the importance of freedom.
