Cedar Lake is now pleased to announce the expansion of our summer intensive program with Cedar Lake 180 – a week-long intensive focused on students' technical development.

This program is designed to supplement Cedar Lake's three-week 360 Intensive and to prepare participants for the technical rigors of professional rehearsals. Beginning in Summer 2014, 180 will occur every other year, alternating with 360.

The program will require an audition and a limited number of students will be selected in order to maximize one-on-one attention and benefit for the students.
