DAMAGEDANCE is seeking 1-2 male dancers for its 2013-2014 season! Must be *highly* proficient in ballet/modern/contemporary technique, have a great sense of musicality and an eagerness to do and learn something different. Rehearsal/Performance stipends available to dancers. Must be willing to commit to weekly rehearsals on Mondays and Thursdays mid-day.

We are only interested in dancers who are willing to grow with the company and stay for more than just one project. Please take time to visit www.damagedance.com to see what we do.

If interested, please send a dance shot and resume to damagedance.nyc@gmail.com - if invited to audition you will need to come prepared for phrasework and partnering.
