Fertile Ground is a *NON CURATED* showcase for emerging and/or established artists produced with full production values. The evening consists of work shown by five choreographers followed by a moderated discussion --over wine and cheese-- that integrates the choreographers, dancers and audience members (participation by choreographer is required.) This series offers an excellent opportunity for participants to share new and developing work then receive informative feedback about it in a supportive environment.

Available Dates: 2/9, 3/16, 4/27, 5/18, 6/8

(All performances at 7pm)

Deadline: Applications accepted ongoing, first come, first served until the performance dates are full.
