Dancers needed for a contemporary piece(Film Recording). This will be an intermediate level modern piece filmed nicely that will be a great reel addition. Scheduling is very flexible. Performers will be compensated with both a file and hard copy, credit, as well as meals at every rehearsal and shoot day. The project will be finished by the 5th of January. If you are interested/available Please reply promptly with a head shot/video/resume as well as your availability from December 28th-January 5th.

The dance requires physical flexibility and balance, It is important that you have some dance experience. It is just as important however that you posses a great deal of ability to express emotion. There are pedestrian/theatrical elements to the piece that help to advance the connection of movement for the audience.
