Call for Cinematic Dance Film Shorts!!!!

NEW DANCE CINEMA is a new film screening event that takes place tri-annually to showcase directors and choreographers on the forefront of cinematic dance.

NDC is not a typical film festival, but rather an event combining the best of commercial, contemporary and fine arts with live music and an engaging atmosphere. We invite you to share your work with a diverse audience of artists, patrons and supporters in an unforgettable evening that merges festival with the ecstatic energy of movement both live and on film .
