We are excited to announce the 2014 Contemporary Training Program Invite days! Come spend a day with the dancers of the CTP and pushing progress ii and see what goes on behind closed doors at pushing progress. Get first hand experience working with pushing progress directors Calen J. Kurka and Chris Hale and get a unique look into their *process* for developing the whole dancer. At pushing progress we take a holistic approach in education knowing that we cannot train the body without addressing the mind. It's that focus on the mind/body connection that ensures we are fostering diversely trained artists that are primed to become leaders in the dance world. We are offering two chances to dance with us before our upcoming NYC audition in April.

February 25 and 26 10:30 am-2:00 pm. DANY Studios

APRIL AUDITION: April 13th, 2014
