Are you interested in the arts? What about classical Indian music and dance? Would you like the opportunity to see the inner workings of a non profit company?

If the answer is yes, we would love to meet you!

Navatman Productions produces close to 50 dance and music programs a year, including our brunch performances, Bhinna Pravaaha series, and Drive East. The Navatman School has over seven genres of Indian classical music and dance, and maintains an active base of over 150 students. The school emphasizes individual care, quality and commitment to each person who learns here. Navatman Studios is at the center of it all, where the dance company rehearses and classes take place. Many of our concerts are held here as well.

We are looking for interns to assist us with marketing, studio management, admin, etc.

To apply, please contact us at: [info@navatman.org](mailto:info@navatman.org) with cover letter and resume.

We hope to hear from you soon!
