I am currently looking for a choreographer and 4 dancers, 2 couples to perform a tango during our reading. Ideally if you are part of a dance company and come as a group that would be easiest.

Rehearsal dates and Performance

Tues 15th at 6:30pm, Thursday 17th at 6:30pm, Fri 18th at 6:30pm, Sat 19th 6:30pm call for 8pm performance

This is a play we hope to move forward with to full production in the fall and are looking to build relationships with people now. It would be a \$50 stipend for each of the dancers and a \$100 stipend for the Choreographer.

We can discuss whether more rehearsal would be needed and I can provide rehearsal space.
