## KALEIDOSCOPE DANCE THEATRE Audition/New York Dance Festival: Spring Workshops

Compensation: Disclosed upon offer

► [Share](#) | [Print](#) | [Download](#)

Kaleidoscope Dance Theatre's Sean McLeod Dance Experience is scouting male and female dancers May 2, 3 and 4 at the New York Dance Festival: Spring Workshops Series for company positions including our upcoming NYC performance season, and possible national and international touring. Paid rehearsals and performances. Teaching opportunities pending certification in one or more McLeod Technique forms. A strong background in classic and contemporary modern and ballet is recommended but not required. You must be a nice person. If you are looking for an incredible and innovative experience in dance, one that seeds the growth of Personality and Emotional Development in it's work, a process that requires you to want to be a happier person sharing a happy life, and if you are willing to take risks, embrace "Yes", and learn why this is essential, then Sean would love to see you! We hope to establish long-term working relationships with 5-9 strong dancers who exhibit these qualities to the fullest extent!

Come and join us for a weekend full of Life Changing Master Classes and personal interaction led by world renowned International Producer and American Choreographer Sean McLeod and the teachers of McLeod Technique. Hosted by the New York Institute of Dance and Education - N.Y.I.D.E., Sean McLeod Dance Experience, Kaleidoscope Dance Theatre, and our partners, this three-day festival will include classes in Sean McLeod's codified McLeod Technique (MT) including MT Modern, Reinforced Motor Function® (alignment, strength, and flexibility system), and MT Afro Hip Hop. Topped off with our famed self-reflective and life fueling "Talk Around" sessions. All of that wrapped in Motivation that will inspire you to action. Come join us for this truly spectacular and giving event, so we can get to know each other for upcoming work opportunities!

New York Dance Festival: Spring Workshops NYC
