Dance coach and/or choreographer needed.

Classically trained ballerina with contemporary background is in need of a coach to work with to fine tune choreography, fill in any gaps in training, and help put together some pieces for reels and performances.

Coach must have background in classical ballet (Vaganova preferred) and/or contemporary ballet/modern. The goal of this is to create an ongoing working relationship to help this dancer achieve her full potential. If you have your own idea of how dance, especially ballet is and should be done, this is not the gig for you. This dancer is very cutting edge and not afraid of breaking through boundaries, especially in the world of ballet. This dancer is looking for someone to bring out the best in her, based on her movement qualities and capabilities. This dancer knows herself very well and is looking for someone who is willing to push her all the way.

Please send resume, headshot, and a short description about yourself and why this position would be good for both you and the dancer.
