Triskelion premieres Never Before, Never Again on Thursday-Saturday, January 29-31, 2015 at 8pm in its new first-floor, 88-seat theater in Greenpoint. We celebrate the moment of invention as it explodes from the unknown with a cadre of expert improvisors! Featuring artists who regularly harness the ephemeral, in work never before seen, and never to be seen again beyond this one presentation. Join Vangelina Theater, Launch Movement Experiment, Second Nature, Jackie Moynahan, The Raving Jaynes, and others, in honoring the power of immediate presence in performance - through dance, Butoh, action theater, comedy, lighting, and more! Improvisational artists practicing movement, music, clowning, comedy, storytelling, puppeteering, vocalization etc. are invited to submit.
