Seeking choreographers interested in presenting work as part of Center for Performance Research's 2014-2015 season. CPR is available for Performance Rentals at reasonable rates for individual artists and small nonprofits. Our goal is to make our space available for a range of performance activities, from informal showings to fully-staged productions.

CPR offers an unobstructed 41' x 45' (1,845 sq ft) white box studio space, available for performances, and has a seating capacity of 65. Performance rental packages include marketing, technical support, and front-of-house staffing for events. We would love to work with you to develop a performance package that is responsive to your needs and the needs of your piece. Please contact us at info@cprnyc.org for more information on performance rental packages.
