Company: Visual Country  
Compensation: paid but TBD

Female dancers needed for a short Branded Video campaign. The shoot dates will be mid august. Exact dates TBD. The shoot will be early in the morning. This is a PAID gig. We work in stopmotion, so any experience in this is a plus.

We are looking for model type bodies (tall and thin), but want to work with dancers. There will be movement involved in the shoot, but nothing crazy, as it is for a fashion brand.

Auditions are by appointment only on Monday aug. 4th. Please email Anna at [outra398@newschool.edu](mailto:outra398@newschool.edu) with a headshot, resume and reel if possible, for an appointment time.
